Course FAQs

Is this a Spiritual Course?

Yes, all energy work is of a Spiritual Nature, as we form a connection with our Guides and with Source in order for them to carry out the work which we intent.

Will I become a powerful Healer?

If you THINK you are a Healer, you are not. We can only FEEL healing and that healing occurs in a realm beyond ours.

I do not want to incorporate Spirituality in my Colour work:

Then this course is not suitable for you.

Will Psychology and Counselling form part of the healing work:

Yes, sometimes clients want to talk and as a therapist, its our job to listen, sometimes its as simple as that, whist other times we must identify that we need to pass our client on to a professional Counsellor.

I cannot meditate:

That is perfectly OK, we will have many guided meditation sessions so you will be able to connect with your Guides.

I do not want to work with 'high risk' clients, Depression, Addiction, Terminally Ill:

That is ok, you set your intention when you are ready to create your practice, and the right people will be guided to you. We will help you create that intention.

Is this Course accredited:

Yes, please see the accreditation page on the web for more details. But please know this. You must be prepared to work at a FEELING level and not an INTELLUCTUAL level. Your learning and connection is your true goal, not the certificate.

Your Courses are more expensive than some others out there:

Yes, because our courses have been written, executed and examined by David Ellis and not mass produced as with many many courses online. Also our course price includes a kit of all you need for this work.
