## About our Courses

All our courses are written and executed by [David Ellis](#). David has worked with Crystals since 1998 and has a passion not only for Crystals but also in making people feel better in their lives. He loves to teach and was resident teacher at The Atlantis Institute in Gorey Ireland for 20 years.

We only [sell](#) and teach courses written and executed by David Ellis, this way we can ensure that the quality of the course is authentic and original and not a copy of some unauthentic work.

Our courses are all now distant learning and can be conducted either by self-learning or tutor assisted or tutor trained.

Self-Learning	The Institute will forward your first manual on enrolment, and each subsequent manual on receipt and scoring of your exam work.
Tutor Assisted	David Ellis will be available for a one hour tuition session via Zoom per module per month.
Fully Tutored	David Ellis will be available for 8 hours tuition sessions via Zoom per module per month.

All our courses are fully accredited. Please see the [accreditation page](#) for each course accreditation.

## Course FAQs

Is this a Spiritual Course?

Yes, all energy work is of a Spiritual Nature, as we form a connection with our Guides and with Source in order for them to carry out the work which we intent.

Will I become a powerful Healer?

If you THINK you are a Healer, you are not. We can only FEEL healing and that healing occurs in a realm beyond ours.

I do not want to incorporate Spirituality in my Crystal work:

Then this course is not suitable for you.

Will Psychology and Counselling form part of the healing work:

Yes, sometimes clients want to talk and as a therapist, its our job to listen, sometimes its as simple as that, whist other times we must identify that we need to pass our client on to a professional Counsellor.

I cannot meditate:

That is perfectly OK, we will have many guided meditation sessions so you will be able to connect with your Guides.

I do not want to work with 'high risk' clients, Depression, Addiction, Terminally Ill:

That is ok, you set your intention when you are ready to create your practice, and the right people will be guided to you. We will help you create that intention.

Is this Course accredited:

Yes, please see the accreditation page on the web for more details. But please know this. You must be prepared to work at a FEELING level and not an INTELLUCTUAL level. Your learning and connection is your true goal, not the certificate.

Your Courses are more expensive than some others out there:

Yes, because our courses have been written and executed and examined by David Ellis and not mass produced as with many many courses online. Also our course price includes a full set of the Crystals that you will need for your work.

Your courses are in Euro, but Im in the USA:

Although our courses are priced in Euro, overseas students are only charged the equivalent amount in their own currency. This is done automatically by your bank at the time of payment, so you don't have to do anything! Please keep in mind that currency exchange rates do fluctuate from time to time. Please visit this website for daily live exchange rates:

Do I need to buy any Crystals For this course:

No. All the Crystals you will initially need for the course and your initial healing practice are included in the price.

\*Crystals included in the course.

The value alone is self evident as the set of tumbled stones will include 28 tumble stones, programmed for your use. A full set of Crystal points, again programmed for you to include 6 Points. A Clear Quartz Cluster programmed to cleanse your Crystals, An Amethyst Tea Lite Holder again programmed for you, to light your way, A programmed pendulum and an EBook of a Directory of over 100 Crystals. Total retail value per our store [www.gemzworld.com](http://www.gemzworld.com) €300

When will I receive my Crystals:

If you are on payment plan, you kit will be split in two and sent in month 4 and in month 8. If you prepay the course, your kit will be sent on enrolment.

Can I buy additional Crystals From you:

Yes, you can buy any Crystals from our shop. [www.GemzWorld.com](http://www.GemzWorld.com) and as a student at The Atlantis Institute, you will receive a discount code offering you 25% discount on all Crystals and Books.
